b)whether all the Ministries have initiated the process of development of the said indicators in convergence with the Central Sector Schemes and if so, the details thereof;

c)whether the Government has involved various stakeholders such as civil societies, women organisations etc. in the development of the said indicators and if so, the details thereof and if not, the reasons therefore; and

d)whether the Government has asked the State Governments to align their respective State schemes with the SDGs and if so, the details thereof and the progress made by the State Governments in this regard, State/UT-wise and if not, the reasons therefor?

Answer

MINISTER OF STATE (INDEPENDENT CHARGE) FOR MINISTRY OF PLANNING AND
MINISTER OF STATE FOR MINISTRY OF URBAN DEVELOPMENT AND
MINISTRY OF HOUSING & URBAN POVERTY ALLEVIATION

(RAO INDERJIT SINGH)

(a) & (b) An initial set of draft Indicator Framework for monitoring the progress of Sustainable Development Goals (SDGs) at the national level has been developed in consultation with the concerned administrative Central Ministries/Departments and the State Governments/UT Administrations.

(c) This initial set of draft indicator framework has since been uploaded on the weblink: http://www.mospi.gov.in/sites/default/files/announcements/SDG_DraftNational_Indicators8mar17.pdf for open consultation with the general public, academia, researchers, research institutions, experts, Civil Society Organizations, NGOs, etc.

(d) Yes Madam, NITI Aayog has carried out mapping of all Sustainable Development Goals on the Central Ministries, Centrally-Sponsored Schemes, and major Government initiatives. NITI Aayog has circulated the draft mapping to all State and Union Territory Governments and requested them to similarly map out State schemes. National Indicators being evolved by MOSPI would inter alia facilitate to assess progress being made by States/UTs.
